

Scholarship Information 2016

ASCE Philadelphia Section

Applications for these scholarships should be submitted to Andrew Bechtel (bechtela@tcnj.edu)

1. ***\$1,000 Student Scholarship*** – **Deadline January 31, 2016**

The Section awards a scholarship to a matriculating student in a full-time Civil Engineering or Architectural Engineering program at one of the above indicated Universities. Students must be active participants in the ASCE Student Chapter and must be in their Sophomore to Junior years to be eligible to submit. See the Philadelphia Award Guide for more information (<http://tinyurl.com/hdt3wsr>)

2. ***\$1,000 Section Member Scholarship*** – **Deadline January 31, 2016**

The Section awards a scholarship to the child of an active Philadelphia Section member who is a matriculating student in a full-time Civil Engineering or Architectural Engineering program at an accredited College or University. Students must be active participants in the ASCE Student Chapter and must be in their Sophomore to Junior years to be eligible to submit. See the Philadelphia Award Guide for more information.

Association of State Dam Safety Officials

1. ***ASDSO Senior Undergraduate Scholarship*** – **Deadline March 31, 2016**

Awards have ranged from \$5,000 to \$10,000 in recent years. Undergraduate students planning to graduate in May/December 2017 will be eligible for the 2016 scholarship. For more information or to apply, visit our scholarship page (<http://tinyurl.com/h4qug5j>)

2. ***Dam Safety 2016 Student Paper Competition*** – **Deadline February 9, 2016**

ASDSO's eighth annual Student Paper Competition will be held in conjunction with Dam Safety 2016, Sept. 11-15 in Philadelphia, PA. ASDSO invites students to submit papers on dam and levee safety. Topics may include traditional areas of design engineering, structural and geotechnical analysis, hydrology, hydraulics, construction, risk management and hazard mitigation, emergency action planning, dam security, and policy, etc. Each winning paper will receive \$500 and a travel stipend to present at Dam Safety 2016. Winning papers will also be published in the annual conference proceedings. Other selected entries will be invited to participate in the Dam Safety 2016 Poster Forum. For more information visit the student paper competition page (<http://tinyurl.com/hjjpzyz>)

ASCE National Organization

National membership is required for these, and more, scholarships. Go to asce.org and sign up using our Drexel school code: 000000874739

1. ***Eugene C. Figg, Jr. Civil Engineering Scholarship*** – **Deadline February 10, 2016**

Any currently enrolled junior or senior civil engineering student at an ABET-accredited institution who will be registered as an undergraduate in the fall term of the year of award, is a United States citizen, an ASCE National Student Member in good standing, and has a passion for bridges may apply for this scholarship. Finalists provided an opportunity to interview for a paid summer internship at FIGG. (www.asce.org/scholarships/figg)
